Access:

menu=>Mambots=>Site Mambots->Edit

User Level:

Administrator; Super Administrator

Screenshot:

Site Mambot: Edit [MOS Rating]

Description:

Mambot Type: content

File Name: mosrating.php

This Mambot adds the functionality of a reader rating system to the Content Items in the Front-end of the web site. This is the sequence of 5 image objects that are 'lit up' in accordance with the selections made by the Users in the Front-end.

By default, this Mambot is not published in a standard Joomla! installation.

Toolbar:

Â

Save: Click Save to save any changes made during the current editing session, and return to the Mambot Manager screen.

Apply: Click Apply to save any changes made so far
in the current session, but remain in the Mambot screen to
continue editing. Once the editing
session is complete click Save as above.

Close: Click Close at any point to end the current
editing session and return to the Mambot Manager screen. Any
changes made since the session commenced, or since the last time Apply
was clicked, will be lost.

Help: Click the Help icon at any time to view this Help Screen.

Details:

Name: Enter a name for the Mambot. The name is used by the Mambot Manager to identify it in its display list of all Mambots.

Folder: Select one of the five Mambot classifications, from the
drop down list, that this Mambot is to be assigned to. Once selected,
and the Mambot is saved for the first time, this field is not
editable.

Mambot file: Enter the name of the .php file, within the joomla_root/mambots directory, that this Mambot is created from.

Mambot Order: This setting allows the position for this Mambot,
in the order of all
Mambots, to be set within the Mambot Manager.This function becomes
active once a Mambot is saved for the first time. By default the new
Mambot will be added to the end of the order for that particular
classification (Folder) of Mambot.

Select the position where this Mambot is required to be placed, from
the drop down list of all installed Mambots. The current Mambot at that
position will shift down a position upon saving. The order can also be
changed directly within the Mambot Manager.

Access Level: Identify which User Group level can view this Mambot. Select from Public, Registered, or Special. See User Access Levels for further details on these.

Published: Select No or Yes to set whether the Mambot is Published.

Description:
Enter a description of the Mambot that explains its function in
the open text field. The text will be displayed within the Administrator Back-end only and is for future reference purposes.

Parameters:

This Mambot does not have any parameters associated with it.
