Help Site and Help Site Workshop Software Credits

Hi everyone,

We are very fortunate to have a number of Joomla! Extension Developers who have gone that little bit further and are directly helping us with the Extensions that we use or will be using in the near future on the Help Site or Help Site Workshop.

ExtensionDeveloper Web Link

JCE 1.1

Ryan Demmer

<http://cellardoor.za.net>

Easy FAQ

Adam van Dongen

<http://www.joomla-addons.org/>

Project Fork

Tobias Kuhn

<http://projectfork.net>

JoomlaXplorer

Sören Eberhardt

<http://joomlacode.org/gf/project/joomlaxplorer/>

Thanks go to all of these guys and where appropriate their support teams.

Regards

The User Documentation Team
